25X1 MEMORANDUM FOR: [REDACTED]

Jack:

25X1 [REDACTED] and I have both talked with Bob
25X1 [REDACTED] We feel that he would find job satisfaction in DD/S and that
he would be an asset to our service. We have suggested to him, and I
believe he agreed, that:

[REDACTED] not change his
career service designation at this time since we would have
no way in which to evaluate him competitively with our grade
GS-13's. (However, if he should get promoted by DD/P, we
would still have an interest in him.)

25X1

b. Two, if he is to make this change,
we would hope that his tour with you would be closer to two
years than three and that he would contact us again about six
months before his tour expires.

c. Three, we might find it a little
difficult to sponsor him for extensive external training until
he has been with us for a little while, but we can play this by
ear.

Thanks very much for calling him to our attention.
